

Sara's Sanity Shack Plant Sale Self-Service Guide, Benfield Farm

Hi Everyone, I believe I have everything set up and ready for your visit. If you've never been here or purchased plants from me, here are a few visuals, factoids, rules of the house and tips. Address:

37201 NE Benfield Rd
Corbett, OR 97019

1. LOOK.

Come in and look around!
Trays are labeled. A plant description and catalogs can help in your decision-making. There are signs that say, "For Sale" above sale tables and shelves. If any plants are off-limits, there will be a sign saying, "Not for Sale". There's "helpful" information scattered about. **TAKE THE TIME TO GET ORIENTED BEFORE YOU START SELECTING PLANTS.**

2.PICK. ● ●

IMPORTANT - Only TRAYS are labeled and beware, old labels may still be on individual pots - ignore and/or cover them up! If a label is at the head of a row, the entire row is that variety. PICK AND REPLACE CAREFULLY.

LABEL YOUR PLANTS - You'll find orange, yellow and green dots and labels on the payment table to individually label your selections.

How to find the greenhouse and a few house rules:
